

# Suiting Up for SUMMER '89

## Junior Class

Junior collections boast wide diversity. Make your statement in puckered, crinkly or ribbed fabric textures, bold tropical color prints or shocking coral, lemon or orange. Choose sculptured tank tops with ruffled backs, traditional itsy-bitsy bikinis or, for the night, high-thigh and thong bandeau bikinis, some with ruffles, some without. For men, mid-thigh boxer shorts are back again.
