

# Oregon softball to play on East Coast

The Oregon softball team will travel to the East Coast to play Massachusetts and Connecticut in the NCAA Regionals, which begin this Friday, May 19 and continue on Saturday. The announcement was made late Sunday evening by the NCAA.

The Ducks will probably play both Massachusetts and Connecticut in Amherst, Mass. on

the first day of the double-elimination tournament.

The 20-team field is divided into four regionals of two teams and four regionals of three teams. The eight regional winners will proceed to the NCAA College World Series. The eight-team, double-elimination tournament to determine the national champion will be held at the Twin Creeks Sports Com-

plex in Sunnyvale, Calif., May 24-28, hosted by California-Berkeley.

The Ducks, ranked in the top five for most of the season, moved into a tie for fourth with Cal-State Fullerton in the latest top 20 poll, released Tuesday, May 9.

Oregon finished the regular season with a 50-15 record.

with the new javelin." A number of other personal bests were set, including Bob Gray's 13.95 in the 110-meter high hurdles, which moved him just eight hundredths of a second (13.87 is NCAA qualifying) from a trip to Provo. Gray also ran a leg on the 400-meter relay team, which clocked a season best of 40.01, just 16-hundredths shy of the 39.85 necessary for NCAA competi-

tion. "The timing of this meet was nice, because the wind wasn't blowing too hard, and the weather is conducive to the performances," sprint coach George Walcott said. Walcott, in an attempt to make things more interesting for the Oregon sprint relay crew, ran a leg on the Oregon International 400-meter relay team, which finished second.
