Do you think Jason Wayne Rose should have been given the death penalty?

"Although his crime is appalling I do not feel his death will bring back the woman who fell victim to his horrible violent actions."

Bill Loome, senior, international studies

"Spiritually I think it is wrong. Ghandi said, 'each time we kill one person we're killing ourselves.' For society to seek revenge is wrong."

Dan Squire, senior, gerontology

"Anybody who can take over somebody's body like that and violate it, then I think he should be killed."

Jennifer Girgus, freshman, human development

"I think that he should be severely punished. I do believe in capital punishment for a few, and I think he should be one of them."

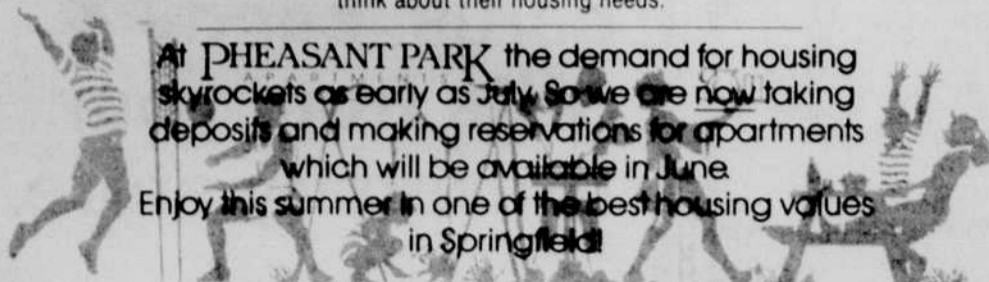

Ngoc-Quynh Nguyen, sophomore, undeclared

"In my heart I do think he should be executed. I have trouble in general with the death penalty, but I cannot see letting him out in the streets again."

Kelly Hunter, junior, pre-journalism

T.G.I.S... "Thank God it's summer!" However it is also a time when many of the students of the University of Oregon think about their housing needs.

At PHEASANT PARK the demand for housing skyrockets as early as July. So we are now taking deposits and making reservations for apartments which will be available in June. Enjoy this summer in one of the best housing values in Springfield!
