

Transfer deadline date changed

By Christopher Blair
Emerald News Editor

Transfer students who want to enter the University fall term must apply before July 5.

The new deadline, announced June 16 by President Paul Olum, is six weeks earlier than the previously announced Aug. 15 deadline. College graduates seeking to study for a second baccalaureate degree also must have their applications in by July 5.

The deadline is intended to help the University control rapid growth in enrollment. Applications should be postmarked before July 5 to be considered. Only applications are required to have the July 5 mark, but other materials, such as transcripts, should be turned in soon after.

The growth in the number of transfer applications prompted the deadline change, but the University decided to wait until enough transfer applicants had applied, said James Buch, University director of admissions.

"We didn't know we'd have the volume of applications we had," Buch said. "We had watched the flow of applications in the past few weeks

grow. ... It seemed silly to allow that number to grow unnecessarily.

"The other side of it is if we had cut off the deadline too early, we wouldn't have had enough applicants," he said.

Buch added that the cutoff date would give staff more time to review and select applicants.

The deadline is only one part of the State System of Higher Education's budget balancing plan, which was approved in April. The University is reducing its enrollment by 1,000 stu-

dents in the next two years. The target enrollment for fall is 18,000 students and an eventual ceiling of 17,500 is desired.

Transfer applications so far this year are up six percent. The University has received 2,000 applications this year, but only 850 can be accepted this fall.

The University sent letters to community college counselors, advising them of space limitations and the deadline. Applications received after the deadline will be processed for winter term.

SURPRISE TWIST IN CASE SOLVES THE MYSTERY OF J.A. JANCE
—LATEST EVIDENCE AVAILABLE THURSDAY IN GENERAL BOOKS—

Dismissed With Prejudice J.A. JANCE

For several years, police detectives in Seattle have had an unsolved mystery on their hands. There has been a great deal of speculation within the police department about the identity of one J.A. Jance and how Jance has come to know so much about the inner workings of the department—enough, you might say, to write a book. It seems Jance knows more than she should about crime and internal Seattle P.D. investigative procedures, including details that are surprisingly accurate.

J.A. Jance is the author of six successful mystery novels featuring J.P. Beaumont, a dedicated, yet somewhat cynical, Seattle police department detective. The character of Beaumont, however, is so realistically portrayed by Jance that many people, including police personnel, have long suspected that he is based on real-life Seattle cop or that Jance is, in fact, a retired male police detective writing from his own experience. Beaumont, however, is purely fictitious, and Jance, the mother of five, is a former teacher and insurance agent, not a cop.
