## Movies Continued from Page 26C

Springfield Quad is located by the Springfield Mall.

More information about Cinema World can be obtained by calling 342-6536, while information on Springfield Quad can be found by dialing 726-9073.

Right around Valley River Center is another cinema center, the Valley River Twin. Located at 1077 Valley River Drive, the Twin can be contacted at 686-8633.

Another cinema center can be found on West 11th Avenue. It's Movieland, run by the same folks that run Valley River Twin.

Movieland, 808 Seneca St., is wheelchair accessible, as indicated by the symbol found in the center's advertisement.

An amazing thing about Movieland is its size — it is large enough to run seven movies simultaneously.

For more information about Movieland, call 342-4142.

Several tips about movie watching:

Most cinema centers offer economy tickets for movies shown before 5 p.m. or 5:30 p.m.

The economy price tickets often are invalid for special en-

gagements. In addition, Movieland and Valley River Twin have Tightwad Tuesdays.

Also, if an early movie is just not convenient, take into consideration that University students may sometimes be able to get discount tickets. The EMU Main Desk is one location where such discount tickets are sold.

And if a theater is a little too far away for a nice evening walk, consider LTD, the local bus service. University students pay for unlimited service through their incidental fees, and the buses go out to all cinema centers.
