

We could go on and on about all the great services at U.S. Bank. But we know sometimes all you need from us is money for a midnight pizza run. That's why we have more ATMs than any other bank in the Northwest. It's also why we've made it so easy to sign up for a U.S. Bank Student Account. In fact, two bucks will do it.*So hurry in to your nearest U.S. Bank branch, before you starve to death.

*Includes a Student Checking Account and a Student Savings Account for a low \$2.00 monthly service charge. Member FDIC. © 1989
