## When does a date become a crime?

It happens when a man forces a woman to have sex against her will. And even when it involves college students, it's still considered a criminal offense. A felony. Punishable by prison. So if you want to keep a good time from turning into a bad one, try to keep this in mind. When does a date become a crime? When she says "No." And he refuses to listen.

Against her will is against the law.

border. Georgia students start the trek to Jacksonville on Thursday and by Friday morning the campus resembles a ghost town.

Immediately before the game, fans from both teams tailgate around the Gator Bowl in what is described as "The World's Largest Cocktail Party."

**Clemson U. at U. of South Carolina, Nov. 18** — This is one of college football's oldest and grandest rivalries. The U. of South Carolina Gamecocks and Clemson U. Tigers have met 86 times in 93 years, never missing an appointment since 1909. South Carolina took the first meeting in 1896,

but Clemson holds the overall edge, 50-32-4.

Brant Long, assistant sports editor for USC's student newspaper *The Gamecock*, said one USC fraternity burns a Tiger in effigy the night before the game.

"The joke around here is that it doesn't matter if a USC coach goes 0-8 or 0-9, if they beat Clemson, then the coach can stay around for a couple of more years," he said.

**Florida State U. at U. of Florida, Dec. 2** — This match-up is the true battle for Florida bragging rights. U. of Florida Gators and Florida State U. Seminoles, the largest of Florida's state-funded universities, have met on the gridiron every year since 1958. The Gators hold a 22-8-1 advantage.
