When does a date become a crime?

It happens when a man forces a woman to have sex against her will. And even when it involves college students, it's still considered a criminal offense. A felony. Punishable by prison. So if you want to keep a good time from turning into a bad one, try to keep this in mind. When does a date become a crime? When she says "No." And he refuses to listen.

Against her will is against the law.
