Women dump USC

By Cam Sivesind

The Oregon women's basketball team ran circles around USC Thursday night in McArthur Court for a 80-58 Pacific 10 Conference victory.

Oregon senior guard Michelle Eble sparked the Ducks by shooting a perfect 3-3 from three-point land and 5-5 from the floor. She had 13 points.

"I like the three-point shot because it is a deadly weapon," Oregon coach Elwin Heiny said. "It's very frustrating to play against when people do it."

Senior center Stefanie Kasperski led all scorers with 22 and pulled down 11 rebounds for the Ducks.

The Ducks and Trojans battled evenly for the first five minutes and were knotted at 10-10 at the 14:31 mark.

Oregon began to pull away and never looked back. Eble sank a three-pointer and added a steal and a layup to give the Ducks a 20-12 advantage.

The Ducks steadily increased their lead and led by as many as 12 points in the first half. A three-pointer by junior guard Jennifer Bourn put Oregon up 32-22 with 5:39 left in the first half.

Senior guard forward Jacquie Semeniuk ended the Duck scoring in the first half with a jumper. Semeniuk had eight points and 10 rebounds on the night and grabbed four steals.

Oregon went into the locker room at intermission with a 40-31 lead.

A fired up Oregon squad came out hot in the second half beginning with a Kasperski bank shot and a driving layup by freshman point guard Vanessa Selden.

Selden finished the game

with 13 points and two steals. "In the second half though, we decided to just stay in the zone and force them to shoot," Heiny said. "That worked in our favor too. I thought many players worked very hard, particularly in the second half."

Just over five minutes into the half, the Ducks found themselves up 54-37. Things got even better for Oregon.

A three-point bomb by junior forward Trina McCartney, a bank shot and a layup by Kasperski, and five points by Eble gave Oregon a 24-point margin at the 7:32 mark.

A hustling Duck squad entertained the crowd with its all-out effort for the basketball en route to a 80-58 final score.

"We had a couple of really diving plays where we went on the floor for the ball and that's exciting," Heiny said. "I like to see that effort."

The Trojans struggled for most of the game, unable to find the range. USC shot a poor 32.5 percent making just 26 of 80 shots from the floor.

Senior forward Tammy Hammond led the Trojans in scoring with 20 followed by freshman guard Joni Easterly's 12. Senior forward Rosalind Hodge contributed 10.

The Ducks, on the other hand, had rather impressive statistics. Oregon shot 49.2 percent from the field and were 6-9 from three-point territory for a 66.7 mark.

Free throws were a big difference in the game as well. The Ducks were sent to the line 21 times and cashed in on 14 of them. The Trojans shot 4-7 from the line.

The Ducks face UCLA at Mac Court Saturday night at 7:30. The Ducks trail the Bruins in the Pac-10 standings and hope to make a gain this weekend.
