## AMAZING BICYCLE TIRE

The Multi-Cellular Polyurethane (MCP) Tire is made exclusively by Poly Air. This flat-proof, leak proof, maintenance-free tire is composed of hundreds of thousands of microscopic air cells trapped in a matrix of incredibly tough polyurethane. MCP is a substance that is amazingly lightweight, incredibly durable and significantly easier to work with than ordinary rubber.

The MCP tire will not roll off the rim or have an unexpected potentially dangerous blowout—the ultimate safety factor. GUARANTEED—NEVER HAVE A FLAT AGAIN!

Poly Air Tires Inc. is so confident in the quality of the MCP tire that a comprehensive guarantee is provided for one full year after purchase—a feature unheard of in the pneumatic tire industry!

For more information send me your Free Brochure. If you wish to purchase your MCP tire immediately, please indicate size, number, type and price from the list below.

## The tremendous potentials of the human mind promise

# UNDREAMED-OF POSSIBILITIES...

Yet reading or intellectualizing, in themselves, are not enough to bring out all the beauty and greatness within us. "Meditation," said Paramahansa Yogananda, author of *Autobiography of a Yogi*, "is the pickax that pries up all the covers of consciousness and brings forth the fountain of God's ever new joy." For over 50 years Self-Realization Fellowship has been teaching scientific methods of meditation and principles of balanced living that can help you tap the limitless potentials of your inner Self—the source of true insight, ability, and joy. For more information, send for our free booklet.
