If you have anorexia or bulimia, you've got our respect.

We know that sounds strange. But over and over again, we hear about other programs that treat individuals with anorexia and bulimia, as though they were children. Forcing them to eat. Taking away personal possessions. Denying them freedom.

At The Renfrew Center, we respect the people who stay here. And that respect is the basis for one of the most innovative, progressive and comprehensive eating disorder

programs in the country. Where people actively participate everyday in their treatment. Planning menus. Setting goals. And working with an expert medical and psychological staff to help gain back their self-respect.

The Renfrew Center, the first residential treatment facility exclusively for women with anorexia and bulimia, is located on 27 secluded acres and accepts most major insurance policies. JCAHO approved.
