#### Plus, Save \$600 Off The Price Of A New Car Or Truck!

The GMAC College Graduate Finance Plan makes it easy for you to get into a new GM car or truck...if you're a qualified graduating two- or four-year degree student, a graduating registered nurse or a graduate student. Here's what you'll get:

- ▶ \$600 off the purchase or lease of any new Chevrolet, Geo, Pontiac, Oldsmobile, Buick or GMC Truck when you qualify under the Plan. And you can apply your discount to most of the special incentives available when you purchase or lease. Make your best deal, then use the best deal: GMAC.
- ▶ Guaranteed financing through GMAC, when you qualify for the Plan, show that you're employed or have a commitment for employment,

or have other verifiable income, and are able to make your payments. Plus, even if you have no credit, that's okay. You simply cannot have evidence of collection problems.

- ▶ A low down payment is required when you purchase with the GMAC College Graduate Finance Plan.
- ▶ A 90-day deferred payment! That's almost 3 months before your first payment.
- ▶ You can use the offer before and after you graduate. With the Plan you can purchase or lease up to six months before graduation or one year following graduation. If you're a graduate student, you also qualify the entire time you're enrolled in school.
- ▶ And SmartLease™ by GMAC and Buyer's Choice are available, too. You can apply your \$600 discount to your SmartLease. And in most states, GMAC's Buyer's Choice Plan lets you lower your regular monthly payments with balloon payment financing.
