

Trade in your old card on a new Nissan.

You don't need to put any money down.
Or make any payments for 90 days.
All you need is your student ID. And
you can put your hands on up to 60
months' financing. Even if you've never
had credit before. So take a walk over

to your Nissan® Dealer. And bring along your driver's license, the
qualification card attached to this page and some kind of proof of a
job after graduation. Not to mention your
student ID. But hurry. This may
be the last time you can buy
a Nissan on your good looks.

Built for the Human Race.
