

5 EXCUSES NOT TO GO THROUGH RUSH

#2: "It's too expensive."

Room and board in the dormitories is \$2610 for the year. The average year's room and board for a fraternity is around \$2790. So, to live in a greek house rather than university housing is \$180 more.

\$60 a term.
\$20 a month.
\$5 a week.

Most people will spend five bucks a week on potato chips, sodas and candy. So just cut out the snacking and you can join one of the best things about college. You'll make your dentist happy, too.
