

grams, such as the ASUO Child Care subsidy due to the increased enrollment of single parents. Business programs such as Alpha Kappa Psi & MBA Association continue to provide support for students majoring in the business. Last, but certainly not least the Ethnic and the Environmental programs such as the BSU, CSA, MEChA, NASU, OSPIRG, USSA, & SAA, all of which give academic support for students but allow expression of cultural views aiming towards a diverse and multi-cultural University for everyone.

If elected to the Incidental Fee Committee, I will put forth the time, effort and contemplation necessary.

I.F.C. (2-Year)

DESCRIPTION: See IFC 1-Year.

MICHAEL COLSON

Hi, my name is Mike Colson. I'm running for IFC. Being a student at the University for the last three years, I have been involved in a diverse array of campus and community activities. My experience includes: Democratic President's Advisory Council, Campus Election Coordinator for Congressman Peter Defazio, Internships with the Oregon State Police and University Office of Legislative and Community Relations.

Presently I am enjoying my second year on the Residence Hall Governance Committee, for Hamilton Complex, as Treasurer and Secretary.

As a member of IFC, I want to promote the groups that best serve the demonstrated needs of the students. Some of my priorities are:

* Cultural Forum—concentrate on more speakers and multi-cultural events.

We deserve bigger and better!

* Journals of Opinion—students rely on diverse opinions from The Emerald, Insurgent, Commentator, and Oregon Voice to lead debate and discussion on topics crucial to us all.

* EMU Child Care & Development—the changing face of our student population (working parents & students) demands more accessible and subsidized child care services.

I would appreciate your support and will work hard to accomplish my goals.

TRAVIS GREEN

No statement received

TIM HUGHES

It is obvious that this year's IFC is in deep trouble. Between the resignations, confusion, low attendance, and lack of teamwork, we students stand a good chance of losing the IFC and our ability to control our own fees.

I bring experience and stability to the IFC. Two years ago, I served on the Fee Committee, as well as the EMU Board. The year before that, I served as Director of GALA. I have a well documented record of public service to the campus community, and I want to continue that record next year.

I bring a progressive political agenda with me, one that many students clearly want carried out. I want to fully fund childcare. I want to keep fees down, but I do not believe the way to do that is by micro-managing some student programs' postage budget. We must take a hard look at the EMU and Athletic Department budgets, who receive over \$2.5 million of your fees. All students deserve to have their fees spent responsibly, and I will root out any programs that rip-off students.

This time, vote with

your heart. Vote for TIM HUGHES. I'll fight for your rights. VENCEREMOS!

DON STULL

To all students at the University of Oregon:

The Incidental Fee Committee is responsible for the disbursement of 4.5 million dollars in collected student fees. This body of student government oversees the financial consideration given to many campus related factions. The intrinsic value of these financial bases is to insure diversity among a broad spectrum of student interests.

In short, the Incidental Fee Committee is responsible for spending your money. As student, you contribute to many organizations, publications, and services designed to enrich your campus environment and your education at this university. In return, it is imperative that all members of the Incidental Fee Committee strive to protect the diverse nature of our campus.

Therefore, as an elected Incidental Fee Committee member, I will dedicate my time to preserving an enlightened campus environment for the benefit of all students. I look forward to serving on the Incidental Fee Committee and working in constructive negotiations with an open mind and sincere commitment. Because you care, vote for Don Stull.

FREDDY VILCHES

As Current Vice Chair of the IFC and after two years of serving on this board I feel I have gained the knowledge and experience needed to effectively represent the majority of the students on campus. In spite of all the turmoil on this year's IFC, I have been a stabilizing factor and have tried to serve students in the best possible way. We are lucky on this campus that

students control their own fees, and I want to make sure that we keep that power.

I will ask the tough questions to the big programs that currently get the vast majority of students fees and make sure that all programs spend students funds in the best interest of the students.

I want to see student programs grow at a healthy rate and take their fundraising seriously. I promise to continue the work that I have been doing for the past two years, to keep the fees down, eliminate waste, and to make of this campus a more multicultural environment. VOTE FOR FREDDY VILCHES FOR IFC 2 YEARS.

BALLOT MEASURES:

Measure # 1

Shall the Student Incidental Fee be established at \$4.75 per student per term, (including summer term) to generate approximately \$253,500 to fund unlimited bus service within the Lane Transit District Service Area for all currently registered U of O students for the 1990-1991 fiscal year? Law students would pay \$7.13 per student per regular semester and \$4.75 per student for summer semester. Unlimited bus service means U of O students may ride any LTD bus anywhere in Lane County, as often as desired, by showing the bus driver a U of O identification card valid to the current
