percent recycled product made in the United States instead of helping Germany with their disposal problem," Merritt said.

"It's almost a badge of honor when you use recycled paper," he said.

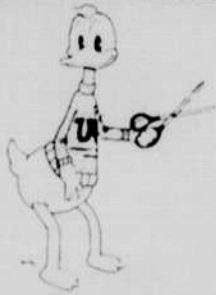

Daniel Jerrems, president of the Atlantic Recycled Paper Company, said the German pa-

per is "hot stuff."

"We're selling it as fast as we get it...even though the price is 10 percent higher (than first-use paper), he said.

## Correction

The Grateful Dead will perform the weekend of June 23 and 24 at Autzen Stadium. Friday's article listed the incorrect dates.
