

Graduation '90

"What are your plans after graduation?"

Hilary Seeman, senior, finance/management: "I'm going home to Medford, and then I'll travel through Europe for a while. And I'm entering law school in the fall of 1991."

Tuan Luu, senior, architecture: "I just got a job offer from the McKenzie Saito Architecture firm in Portland, but I don't know if I'll take it. I think I'll hang out in Eugene for a while."

Pat Jennings, senior, psychology: "I'm going to New York City to get my Ph.D. in animal research."

Megan Tunney, senior, international studies: "I'm going to Sun Valley this summer to work on the banquet staff. No real long term plans."

Matt Burlingame, senior, biology: "I'm going to Navy Aviation Candidate School in 1991; I'm gonna fly. I will pursue alternate career options in the interim year."
