Movie Man, after the movie lets check out Club Wash at 13th & Patterson. They're now open 'til 1 a.m. and they have 16 flavors of ice cream and frozen yogurt. I hear it's awesome. Movie Mama.

Eddie, be cool (72'), be the heat. We don't have to roast in the old laundromat we've been going to. Club Wash at 13th & Patterson has air conditioning, a big screen TV, a deli, and video games. It's radical dude. Be there Friday afternoon. The Boss.

Muscleman, forget doing your laundry this weekend. Drop it off at Club Wash and run away with me to the coast. Club Wash will have it done when we get back. Love, Bikini Blond.

Marilyn, meet me at Club Wash Sat. a.m. for coffee and pastries, while our clothes take a spin together. Then we can grab some of Club Wash's outrageous sandwiches and head for the park. Woody.

EMPLOYERS ARE TALKING ABOUT US.

Here is what just one business leader had to say about civilian career opportunities for Army alumni:

“Military experience provides many benefits for... graduates that ultimately makes them worthwhile candidates for industry. I encourage employers to seriously consider and to employ these young people as we do at Honeywell.”

Dr. James J. Renier
Chairman and Chief Executive Officer Honeywell

Today, more than ever before, employers are looking for the skills and personal qualities brought to the marketplace by Army-trained individuals.

So, let the Army help you put power in your resumé. For more information, see your local Army Recruiter today.
