Screams, cries and videotape

Many video stores in the area are having horror film specials this Halloween. Willamette Street Video, at 2570 Willamette St., is offering two horror flicks for \$2. Silver Star Video, 1888 Franklin Blvd., is offering two movies for \$1, including old and new releases.

"People tend to be renting a lot of the serial movies like Halloween and Nightmare on Elm Street," said Ken Dodge of Silver Star. "They are going back and watching the whole series.'
