CORRECTION

In Monday's issue of the *Emerald*, an article on a Congressional grant received by the University failed to acknowledge the University's appreciation of the efforts of Congressman Les AuCoin in getting the grant.

Also, in Wednesday's issue, an editorial mistakenly identified the location of the 1989 Independence Bowl as Baton Rouge, La. The correct location was Shreveport, La. The *Emerald* regrets these errors and any confusion they may have caused.

Brand said he might have a better sense of spending limits at the first of the year or in late spring. "You may have to get back to search candidates at some later date," he said.

Searches for GTFs will be frozen for at least 30 days Brand told math professor Charles Wright.

The cuts will not make tenure track and non-tenured professors more vulnerable to layoffs, Brand said.
