Snow boarding is rapidly becoming the new way to soar, and experts say it's easier than it looks to hit the slopes on a board.

Snow boarding a novel way to slide

As vacation approaches, college students, stressed out from exams and more than ready for a break, will be mustering up that last bit of energy to hop on their board and hit the slopes.

Snow boarding, a sport that has come into the spotlight in the last couple of years, is rapidly gaining popularity as more and more boarders travel to ski areas each year.

David Daluiso, a professional snow board

racer and Lane Community College student, said it's hard to explain what makes snow boarding so much fun.

"There's just nothing like being on a board in deep powder," Daluiso said. Daluiso is also a snow board instructor at Willamette Pass this season.

Although invented in 1976, snow boarding

Fortunately,
we're all ears.

The first thing you should expect from an audio, video, or car stereo store is a good set of ears. Someone who's willing to listen to who you are, what you need, and what you like. At Bradford's, you'll find high quality equipment, great prices, and the best ears in town. All designed to help you make the right decision, whether it's your first system, or an upgrade to the one you already own.

Superb equipment, superb service, and superb advice. Come to Bradford's! Your ears will thank you!
