Twas the term before Christmas when all through this place, Every creature was stirring wanting front-page space On sundays we waited by our desks with care, In hopes that St. Catherine soon would be there. When up from the courtyard there arose such a clatter, We sprang from our seats to see what was the matter. When what to our wondering eyes should appear, but 8 tiny protesters with signs and a cheer, on KRMA, on SETA on Grateful Dead too. On CIA, IFC this place is a zoo! Here's to an eventful New Year, Daralyn and Carrie

Fruitbats do it better! Merry Christmas!
