RECORD

Continued from Page 8

record of 13 in a game by Sheila Sattiewhite, who accomplished the feat twice in 1988.

"(Selden's) ball-handling is as good as anyone in the nation, I think," Heiny said.

Selden nabbed one of her four steals in the game and broke away for a lay-in to put Oregon ahead, 15-14, a lead it would never relinquish. A 10-0 run for the Ducks near the end of the first half gave them a 22-point lead before they surrendered a pair of baskets to NMS for a 62-45 half-time lead.

After NMS run-and-gunned its way back to within 12 on an 11-3 spurt early in the second period, the Ducks reasserted their control of the contest by putting away the Roadrunners on an 11-0 run. Bourn's record sixth three-point shot began the run and her lay-up ended it as Oregon found itself ahead 93-70.

Debbie Sporcich, the Ducks' outstanding freshman forward, rebounded a game-high 12 boards and hit an Oregon single-game record 15 of 17 free throws to finish with 23 points.

Staci Wallenborn and Trina McCartney both recorded 14 points and nine rebounds the same night.

For advising and/or additional information, visit the Office of Academic Advising and Student Services, 164 Oregon Hall, 346-3211. See below for explanation of how the UO GPA is calculated.

UO POLICY ON CALCULATIONS OF GRADE POINT AVERAGE (GPA)

| Grades/Marks | Points | |
|--------------|--------|---|
| A | 4 | The GPA is calculated by dividing the total points by total hours of A,B,C,D,F. Only UO work (including UO nonadmit work) is used to calculate the GPA. Plus (+) and minus (-) marks will have a .3 value and be included in the GPA for credit earned beginning Fall 1990. |
| B | 3 | |
| C | 2 | |
| D | 1 | |
| F | 0 | |

N, P, AUD, W, INC, X, Y are not calculated in the UO GPA.

Repeated Courses: Only courses designed *repeatable* in the Schedule of Classes may be repeated without deduction of duplicate credit. All earlier grades will remain on your UO transcript regardless of subsequent achievement.

If you repeat a course for which you previously received credit, only the most recent grade and credits are used in calculating your UO GPA. Please note: P's and N's have no value in calculating the GPA.

If your first or subsequent grade in a repeated course was an F, the credits and 0 points earned each time will be averaged into your UO GPA (see point scale above).

Separate grade reports will be issued for undergraduates and graduate course enrollments.
