

"WE MUST MEET THE FORCES OF HATE WITH THE POWER OF LOVE;
WE MUST MEET PHYSICAL FORCE WITH SOUL FORCE."

Martin Luther King

"Indeed, the Pentagon is now doing everything possible to give us the impression that war will come in a tidy little package. Even the words are neat and tidy- body bags are not body bags anymore. That's too messy. That conjures up all the wrong images - images of blood and pain and suffering. Now body bags are 'human remains pouches'. There, America, doesn't that make you feel better? Your sons and daughters and mothers and fathers will have their faces blown off, their limbs torn apart, their chests ripped open, but they won't come home in body bags. They'll come home in neat and tidy human remains pouches."

Mark O. Hatfield
