

Recruiter

At Microsoft you'll find some of the brightest professionals in the software business. As the world leader of our industry, the demand for timely, innovative solutions to complex problems characterizes each day here. And we wouldn't have it any other way.

Central to our success has been our ability to attract these creative, committed people who enjoy working in an energized and demanding environment. We are currently looking for recruiters to be responsible for hiring the best people for all areas of Microsoft including systems, applications and multimedia technical development, marketing, international, sales and sales support.

As a recruiter, you'll be responsible for driving all phases of this vital process: defining positions with management, determining recruiting strategies, creating advertising, screening and interviewing candidates, advising on

hiring decisions, and offering and closing both experienced and campus candidates.

Qualifications should include a BA/BS degree in Marketing, Business, Human Resources Management, or other related discipline. Business and/or Human Resource experience preferred. Familiarity with microcomputer applications is desired.

We offer excellent compensation, relocation and benefits packages. If you are energetic and enjoy working with some of the brightest professionals in this industry, please send your resume by April 15, 1991 to Microsoft Corporation, Attn.: Recruiting Dept.

LSR-03910E, One Microsoft Way, Redmond, WA 98052-6399.

We are an equal opportunity employer and are working toward a more culturally diverse workplace.
