## ALL FINANCIAL INSTITUTIONS... ARE NOT CREATED EQUAL

If you believe that all financial institutions are the same, perhaps you have not looked into your Credit Union. At U-Lane-O, business is not conducted as usual. We offer a unique approach to financial services. As a cooperative, members have equal vote and say in the management of the Credit Union. The result is an affordable and responsible way of providing financial services.

While financial institutions are not created equal, we happen to believe that all members are. Come visit U-Lane-O and let us show you the Credit Union way of doing business.

Serving U of O students and employees.
