SOME TRUCKING COMPANIES WANT THEM. DO YOU?

Double and triple trailer trucks, almost half a football field long and weighing more than 41 automobiles.

The trucking companies that want them are trying very hard to persuade Congress to clear the way for them to run nationwide.

If these trucking companies have their way, there will be a lot more of these trucks on the highways and a lot more traffic. That means more accidents, more fuel consumption, more congestion, more pollution, more damage to the roads and more fuel taxes for motorists.

If you don't want these bigger trucks, you can stop them.

To find out how, call 1-800-348-5555 or send this coupon.

TO STOP LONGER, HEAVIER TRUCKS, CALL 1-800-348-5555 OR SEND THIS COUPON.
