**1991 folk festival**

Once again the Willamette Valley Folk Festival is upon us, celebrating its 21st year. For those of you who have never had the pleasure of attending the Folk Festival it is an event not to be missed.

The festival, sponsored by the EMU Cultural Forum, offers music on two stages, a children's stage, workshops, a Contra Dance, a new song contest and a delicious selection of food sold by local vendors.

Music on all the stages is free. Even if you have a tight schedule this weekend, make sure to set aside some time to catch a few bands and good food at the Willamette Valley's one and only Folk Festival.
