I didn't think I'd really have to write this. You know you are a thinker. I will miss those earth shattering money-making ideas (although few others will-kidding). Maybe WH will wanna go six col! Remember the dream, Connie, duck buck coffees, sister who, those darn stairs (eek, what was on them? - you stepped in it), green - the color of money, my phone number. Remember when your side is hurting, I have something worse. Let's meet for coffee seeing you don't have to be at work til 9.

See ya, bye
