Earn \$30
This summer the Language Comprehension Lab will have 6 experiments that you can participate in for money. We pay \$5 for each hour. The first experiment involves writing and reading short compositions. Each session of this three part experiment will be an hour long and be separated by a week. The other experiments involve reading short texts. Each will last an hour. You can participate in all of the experiments or just a few. If you are interested, leave your name and phone number at 346-4999. Native English speakers only. We will call you after summer term begins.
