

Golfers finish fifth

The Oregon men's golf team tied for fifth at the Mass Mutual/Husky Men's Golf Classic, which finished Tuesday at the Broadmoor Country Club in Seattle.

The Ducks shot a three-round total of 883, tying them with Miami Fla. for fifth. Stanford won the overall team title.

Jeff Lyons was the top Oregon finisher, tying for third with a 212. Lyons was just two strokes off of the first-place score of 210.

Other Oregon finishers included Doug DuChateau at ninth with a 217, Mark Aldrich at 26th with a 226, James Chrisman 32nd with a 228, and Troy Tamiya at 47th with a 232.

SCULPTURE

Continued from Page 10

Byrne about the location.

Greenamyre recently sent his proposal for a new location for the sculpture to a University committee that is working with the artist to find a place for the piece at the Casanova Center. His proposal recommends moving the sculpture to the south side of the building.

The committee will have to review the new plans before a decision is made.

Arrayed directly in front of the sculpture in a semicircle are 10 flagpoles, which Greenamyre apparently didn't know were there. Byrne said the artist's subsequent request to have the flagpoles moved because they were in conflict with his sculpture could not be fulfilled because the flagpoles were in the design plans of the Casanova Center from the beginning.

CLUB

to the rear to play defense.

In other Club Sports news, cyclist Will Hall leaves Thursday for the Collegiate Track National Championships in Chicago Oct. 10-14.

Hall, a senior fine arts major, will compete in the match-sprints, kilometer and points race at the event. He said he expects to place in the top ten of all three events.

The club sports men's soccer team's record is at 1-2-2, and Oregon hopes to improve its record with two games this week.

The Ducks play at Linfield this afternoon and will host Warner-Pacific Thursday at 4 p.m. at the South Bank Field.

CLASS: **Philosophy 101**

TERM: Fall 1991

INSTRUCTOR: Lane Transit District

1) Is your reality the same as mine?
Offer proof.

2) "I think, therefore I am."
Do you cease to exist if you
stop thinking? How will you know?

3) How can you really choose
between free will and determinism?

4) The universe has no beginning
and no end. True or false? Why?

5) You can ride the bus...
anywhere. Anytime. All term long.
(just by showing your student I.D.)
Would you describe the service
as free, unlimited, or just a
figment of your imagination?

BONUS

6) "What goes around, comes around."
Use either the universe or the bus
to prove or disprove your answer.
