we think it does. Love is a battle, love
is a war, love is a growing up.

Dear Jason,

deeply, respect, admire, and love with
all my heart. I make a new pact, today,
to continue devoting my love for you
forever. Happy 2-month anniversary
and Valentine's Day.

You whisper visions of love
My skin crawls
Warm breath caresses my cheek
I burn for you
Sweat penetrates
The fibers of our clothing
My senses electrified
Touch, taste, smell
I consume you
We seal our bond
Dripping down
And endless river of passion.

Until Cupid takes aim
A heart is a heart

To My Princess-
I wish there were words in any
language to express the love I feel for
you. I feel silly when I say, "I Love
You" because I feel so much more
than that. You are the greatest thing
that has ever happened to me, and
when I'm with you, my soul sings and I
swear I could fly to the stars.

Somewhere there waltz in this
world of ours
For one lone soul another lonely soul,
Each choosing each through all the
weary hours
And meeting strangely at one sudden
goal
Then bend they, like green leaves
with golden flowers,
Into one beautiful & perfect whole.
And life's long night is ended,
and the way lies open onward to
eternal day.
I love you, Nyssa

Stop! Stop! I only want you more.

depths, and then return to work. Stay
with me, you hardened man. Alone,
you can only jerk.

you displayed your mighty female
power, someday we'll do something
similar, so I'll again feel those

remember "Too much of a good thing
is simply wonderful."

Roses are red
Violets are blue
Who would've guessed
That I'd fall for you
We started as friends
Who were never apart
But now it seems
You've stolen my heart
For all that you are
And all that you do
Just never forget that
I truly love you
This is all I could
Do to make it rhyme
On this Valentine's Day
Say you'll be mine
