NATASHA,
Our road Rocky? Your epitaph, "Had to
pee"? Do you put the bull in my
Winkie? Rhetorical questions, indeed!
Love, BORIS

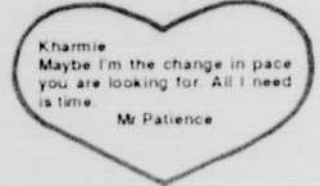

Our bodies molded together just as
a sculpture would. The heat from
our naked shapes is so intense you
can see the steam rise. Soft kisses
moving up each other's necks. You
lick, suck, and bite me like you can't
get enough. Your tongue moves up
my side hitting delicate, sensitive
places. You move me like no one
ever has.
I ♥ U, Kimball

Peaches,
Your image dances
inside my mind; my hand in

Poochi-woochie,
I came all the way from campouchia to

You liked me so much you've asked
me to stay - so, it's only appropriate that
I wish you a Happy Valentine's Day. I
love you.

For all you are inside and out
For all you're capable of giving others
All the wisdom and insight you have
And the fact with which you share
For your smiles and hugs and laughs
For the way you stare at me and make

For your sexy eyes and gorgeous body
And the passion with which we make
love
But most of all for the friendship we
share
I love you with all my heart.
