

FORGET THOSE NO CAR BLUES...

With the purchase or lease of any eligible new Chrysler, Plymouth, Dodge, Jeep, or Eagle vehicle.

That's right. You may be eligible for a college graduate bonus from Chrysler Corporation through our **EXTRA CREDIT '92** college graduate program.

And the best part is, it's available above and beyond any publicly available national consumer incentives.

**EXTRA
CREDIT
'92**

What's more, you may also qualify for one of Chrysler Credit's "entry level" finance payment plans. Each is carefully designed to answer special budget concerns of cost-conscious buyers... even those without established credit.

For more information on how **EXTRA CREDIT '92** can put you behind the wheel of a new car or truck, stop by your local Chrysler Corporation dealer.

Or call 1-800-GRADS-92.
