Dear Readers:

To further enhance and enrich your college experience, we proudly present **Tomorrow's Comics®**, a showcase of the best and brightest "undiscovered" comic strips and their creators.

At **Tomorrow's Comics®**, our purpose is two-fold; first, to entertain you with some of the greatest new humor around; and second, to enhance our contributors' chances of being "discovered" and realizing their dream - to one day appear in the comics section of newspapers around the world, bringing laughter and enjoyment to millions of people everyday (and maybe even making a buck or two).

We are confident that **Tomorrow's Comics®** will capture your imagination and introduce you to many of your new favorites. So sit back, relax and enjoy **Tomorrow's Comics®**!

P.S. If you enjoy reading **Tomorrow's Comics®**, be sure to tell the people who run your school newspaper! Thanks.
