**WELCOME

ΔΓ

To all returning students, faculty & staff at Lawrence Hall, the School of Architecture & Allied Arts: Thank you for helping to make the last two years the most enjoyable of my life. Leaving the AAA Store was not an easy decision for me, because I highly value the personal relationships we've established together. I want you to be assured that my decision to apply for a buyer's position at the main store was in no way a reflection upon all of you who have been so kind to me. Frankly, after 3 years of serious financial circumstances, the opportunity for what I viewed as greater job security was one I jumped at and took. Although my new responsibility for the Bookstore is mostly prints, posters and frames, I hope you will still consider me a resource not only for fine art products, but for your usual architectural needs and questions as well. Just because I'm over at the main store now doesn't mean I'm not here for you. Additionally, if there is anything I can do on a personal level to support or help you, please let me know. AND- PLEASE-COME VISIT ME at the main store, or I'll miss you all to death! You are, and always will be the Best! All my love, your friend, Lisa.
