

LEAF MOTIF

Graphic design major Ron Crose takes advantage of the break in the rain Wednesday at Amazon Park to work on the "other ways of seeing" assignment for his photo class.

and Jeff Paslay

They're not just blowin' in the wind for campus groundskeeper Rich Green (above). The leaves are taken to the physical plant where they are recycled in compost piles. Dale Fish (left) rides on the Turf Vac to collect the leaves along 13th Avenue.
