

POLICE BEAT

The following incidents were reported to the Office of Public Safety and the Eugene police department from Oct. 12-19.

- A 20-year-old Eugene man was arrested for two counts of burglary and one count of theft on Oct. 12. The man is suspected of stealing the keys to the Volcanology building and burglarizing two campus-area homes.

- A 14-year-old boy was charged with eight counts of criminal mischief on Oct. 12. According to police reports, the boy scratched the paint of numerous vehicles parked on the 200 block of East 18th Avenue.

- A University student reported an attempted robbery at 16th Avenue and Alder Streets on Oct. 16. The student claimed two men approached him, telling him to give them his leather jacket and all of his money. The student said one of the men had a gun. According to police reports, the student said he grabbed the gun, pulled it away, then kept his assailants at bay with a variety of karate kicks. The men fled after the student brandished a knife he was carrying. No arrests were made.

- University Housing reported a 1992 Chevrolet Astro Van stolen on Oct. 17. The van was parked outside the Bean Complex.

- EPD issued four DUIs on Oct. 17. The DUIs were issued at or around Autzen Stadium. Three of the people arrested had attended the Oregon-Washington football game and one, a University student, was arrested on his way to the game.

- A University student was cited for false swearing when she gave the wrong address of a party where three kegs were going to be consumed on Oct. 17. Police cited the student after responding to a complaint of a loud party on the 1100 block of Mill Street, according to police reports. Upon arrival, the police checked the kegs and determined that the buyer had given false information when she bought the kegs. The police cited the student and seized three kegs, cash and beer cups.

- Two University students reported an assault on Oct. 18. The students were walking on Mill Street when they were stopped by a group of five young men. According to po-

lice reports, the men beat the students. One student suffered cuts on his lips and a swollen eye. The other student cut his head when he fell over a bike in attempt to avoid getting punched.

- A 23-year-old man was arrested and charged with two counts of forgery on Oct. 18. The man purchased a computer modem for \$139 at the University Bookstore, returned the receipt to read \$900 and returned the item. The man got away with it the first time, but was caught when he attempted a similar crime at the bookstore, according to police reports.

- A University student reported a harassment on Oct. 19. A woman was walking by Knight Library when a man approached her, called her a name and made a comment about her breasts. The man followed the woman to her apartment complex and made a similar comment there. The woman said she had never seen the man before. According to police reports, the man is about 5-foot-8, 150 pounds and has brown collar-length hair.

CLINTON

Continued from Page 1

Bush's economic policies, which he will cling to until election day, are wrong, Clinton said. He compared Bush to "Peanuts" character Lucy.

"If you can't be right, be wrong as loud as you can," he said, quoting the comic strip.

Each month 10,000 Americans lose their health insurance, he said, and people are working harder for less money.

Clinton said he entered the race so the young generation will have a successful future.

"About once a generation, we are called on to make decisions like this, you and I," he said as he urged people to vote for a change from the past 12 years of Republican control.

Most of the people in the audience seemed to relish Clinton's words, even if they said they'd heard them before.

Student Katie Klingensmith said she enjoyed Clinton's speech because of the excitement caused by the large, enthusiastic crowd.

She supports Clinton, she said, but admitted she didn't hear anything new.

"It's a lot of rhetoric," she said. "But this is obviously to energize people."

Tracy Phelan, a Eugene resident, said she's made up her mind about Clinton and believes other voters have, too.

"It isn't one speech that makes people decide who they're going to vote for," she said.

Bill Clinton waded into the crowd after speaking in McArthur Court Thursday. He also took time to blow a few notes on the sax.
