

# At Microsoft, Today's "Do"s Were Yesterday's "Don't"s.

You've always wanted to know how things work from the inside, out. You used to get in trouble for it.

At Microsoft, you'll get rewarded.

We still want you to take things apart. Only now, you can apply your curiosity and intelligence to put them back together even better.

Every day, you'll get the opportunity to

use your talents to improve Microsoft® products. Getting totally immersed in every aspect of their creation. Sound like an ideal job? It should. After all, it's been your passion since you were a kid.
