WEATHERGLASS

Seventeenth Century Dutch used the weather or stormglass to accurately predict weather changes hours ahead. The Pilgrim Fathers were said to have brought them to the New World from their Dutch haven. Kaiser Wilhelm II used to inspect his weatherglass before his morning stroll in The Imperial Schloss Gardens.

Trading Stories about the weather must be as old as mankind. Guaranteed as a source of unusual weather talk is our colorful water-filled weatherglass. The water level in the spout follows atmospheric pressure. High water level is low pressure and means rain, low water level indicates high pressure and fair weather.

12" Handblown Weatherglass with its brass and copper droppatcher for those sudden rainstorms. From \$27.00

Holiday Fun

Photo by Dylan Couler

Lane Transit District provides "Joyrides" guaranteed to bring excitement to all who choose to participate in the holiday festivities.

Lighting it Up

When searching for entertainment this holiday season, one doesn't need to look far. Lane Transit District is offering a good time for anyone interested in making new friends while on the "ride of their life."

The Fourth Annual Holiday Lights Joyride will be held on Saturday, Dec. 19 through Wednesday, Dec. 23.

"It's a great way to meet new faces and see the lights all over town," said Michael Schumacker, director of the LTD-sponsored event.

The public is invited to ride along with the folks of Eugene and the surrounding area and listen to live holiday entertainment while boarding the special Holiday Lights Joy Ride buses.

"Christmas tunes are played throughout the ride and people in the past have brought thermoses for refreshment during the trip," Candus Langdon, a 1991 "joyrider" said. "It's great fun, and last year we even had a whole loaded bus begin singing carols

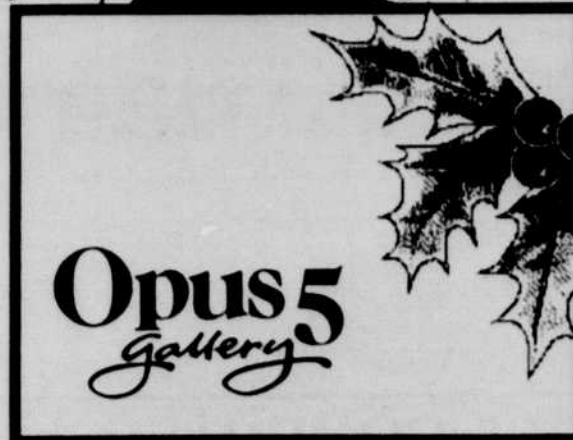

along with the music."

The tickets, which cost \$1.75 per seat, go on sale Monday, Dec. 7 and will be available at Valley River Center Customer Service Center near J.C. Penny's; the Focal Point Optical Shop at 1550 Oak Street and the LTD Customer Service Center at 10th Avenue and Willamette Street. Purchase them early because they will be sold on a first-come-first-served basis.

"It's become a real popular event, and every year we've gotten at least 10 percent more people than the year before," said Ronnel Curry, coordinator of the LTD "Joyride" event. "There are a lot of really beautifully decorated homes and buildings in the Eugene area that people don't realize are available with light shows."

The buses depart at 6 and 7:30 p.m. on Dec. 19 and 20; and at 6:30 and 8:00 p.m. on Dec. 21, 22 and 23. The "Joyride" begins at LTD's Valley River Center Station, located near Mr. K's Restaurant.
