

It could tackle the  
**biggest, toughest, roughest** guy  
but Secret's  
made just for  
you.

Nothing keeps  
you drier than  
Secret® Solid.  
Because it's made  
with the most  
effective active  
ingredient you can get.  
But don't sweat it.  
Secret's still  
pH balanced  
for women.
