New From Apple

Solutions from your Apple Campus Reseller:
the high-performance Macintosh system.

If you want more power on campus,
you can always donate a library.

The new Apple Macintosh Centris 610 and Apple LaserWriter Select 300.

For the kind of power that will make your schoolwork easier, however, we recommend the system above. It features the new Macintosh Centris® 610 computer with its blazing 68040 processor, to speed through even the most complex software programs. And the new LaserWriter® Select 300 printer for

fast, high-resolution laser printing, with lots of room to upgrade. Learn about both now at your Apple Campus Reseller. Where you'll get special student pricing, as well as service during college. And discover the power more college students choose. The power of Macintosh®. The power to be your best.
