

# IF YOU CAN'T AFFORD TO TRAVEL, JOIN THE CLUB.

Traveling doesn't have to mean snobby hotels that cost \$200 a night. With a Hostelling International card you can stay in Paris for just \$16, New York for \$19 or Tokyo for \$23. Hostels even offer special discounts on everything from museum fees and ski lifts to air, rail and ferry tickets. Plus they have fully equipped do-it-yourself kitchens, which not only save you money but also are great for meeting fellow world travelers. So if you're looking for a less expensive way to travel, join the club. Fill in the membership application on page 34 or call (202) 783-6161.
