Shall the students pay a one time fee of \$2.45 per student per term (\$3.67 per semester for law students) for one year, generating approximately \$109,025 for remodeling and start up costs to establish a Multi-Cultural Center for the University Community. The center will serve students, administrators, faculty, staff, graduate teaching fellows, and community members to enhance the academic, cultural, and residential experience of students while incorporating the educational vision of exploring the complexities of cultural and ethnic diversity.

Measure #2

Measure #3

The Family Center, Room 23 -- EMU, is a project funded through fiscal year '92-'93 by a one-year Strategic Planning Fund award for the purpose of establishing a centrally located child-friendly lounge to supply unique resource and referral services for campus families. This funding will supplement any moneys provided from the University Administration.

Measure #4

Shall the Student Incidental Fee be established at \$6.00 per student per term, to generate approximately \$294,900 to fund unlimited bus service within the Lane Transit District Service area for all currently registered U of O Students for the 1993-94 fiscal year? Law students would pay \$9.00 per student per regular semester and \$6.00 per student for summer semester. Unlimited bus service means any currently registered U of O students may ride any LTD bus any where in Lane Transit District's service area, as often as desired, by showing the bus driver an U of O identification card validated to the current term. Unlimited bus service would be provided between consecutive terms. For example: a student registered for fall term, may present a validated U of O identification card and ride until the first day of Winter term. If this student is registered for Winter term, the student may continue to ride by presenting a validated card for winter term. Students registered for summer term may ride until the first day of Fall term by presenting a validated

U of O ID card. Registered law student's identification cards are valid until the first day of the next consecutive semester class. Any student not wishing to utilize or support bus service to campus, may obtain a refund during the first two weeks of classes each term.
