

**EMU Board**  
Two Year Seat Candidates

**Stephanie Dixon**

I am currently a member of the Club Sports Sailing Team and serve on the Club Sports Executive Committee. I understand the value of programs supported and funded through the EMU and Incidental fees. I would like to see the diversity of programs in the EMU continue to be expanded to further meet the needs of the students. If I am elected I would work with the EMU Board member to meet this goal.

**Deirdre Johnson**

Running for the Erb Memorial Union Board is a great opportunity to get involved in campus life. I think it's important that students get involved in systems that affect them. I would like to be a board member and become an active participant in dealing with EMU programs. I'll admit I haven't had a lot of leadership experience, but I am confident I can do the job. I'm responsible, organized, and interested, qualities that I feel will help me. I look forward to gaining this type of experience at the University. Perhaps this statement will be longer the next time I run for a position!

**Margaret Chatfield**

The EMU is an important part of student life. I feel I could have a positive impact while serving on the EMU board. I have had an opportunity to work in different offices in the EMU, such as administration, scheduling, and food service. With this background, I have a broad perspective of the importance of the EMU in student life. I, myself, am a frequency user of the EMU and understand frustration concerning EMU services. I am willing to listen and make students' concerns important in decision making. Please vote for Margaret J. Chatfield for the EMU board.
