CAMPUS CAFE

Have you ever taken notice of the house on the corner of University Street and 13th Avenue?

The Collier House Cafe and Faculty Club has been on 13th Avenue for quite awhile. It was the third building built on campus after Villard and Deady Halls. Today the building is being used for much more than ever before.

CLASSIC 13th

East 13th has always been a place where students come face to face with the rest of the community.

From the opening of the University to the College Side Inn, in 1923, to the present day, 13th Avenue serves as the gateway to the University.

ENTERTAINMENT

"Taylor's College Side Inn is the only bar I go to," says college freshman Maile DeLaura.

She and many other Taylor regulars have seen a lot of changes in Taylor's during this school year.
