

Three friends, (from right) Rolland Suelzle, Frank Kuykendall and David Dybevik, motor their remote control boats around the pond at Alton Baker Park. Suelzle, steering a replica of a 1930s CrisCraft Run About (not shown), was initially coaxed into the hobby by Kuykendall but now says he enjoys the relaxing effect of driving the small boats. Kuykendall is operating a replica of the Florence Coast Guard cutter. All three own several boats.
