Restaurant variety as diverse as Eugene

ANTHONY FORNEY/Emerald

By Meredith Hansen
For the Oregon Daily Emerald

There are so many things to see and do in Eugene, and for every one of the things you see and every one of the things that you do, there is a place to eat.

These restaurants are in alphabetical order, so be sure and look at the price before you take off. The prices are the average price of an entree, not the only price, and all of these restaurants have meals for a little more or a little less than the price listed.
