Lasher

by Anne Rice

Anne Rice's new novel *Lasher* brings us once again into the midst of the dynasty of witches she introduced in her phenomenal runaway best-seller *The Witching Hour*.

At the center: the brilliant Rowan Mayfair, queen of the coven, and Lasher, the darkly compelling demon whom she finds irresistible and from whose evil spell and vision she now flees. Rowan's attempt to escape Lasher and his pursuit of her and their child are at the heart of this extraordinary saga. A novel that moves between the human and demonic worlds to tell a story of occult and spiritual aspiration and passion.
