## U. Photo Contest: Win \$1,000 Cash!

ENTRY BY PRAVEEN MURTHY, U. OF CALIFORNIA, BERKELEY

ENTRY BY MELISSA MULLIN, U. OF OKLAHOMA

The toga party, alive and well at U. of Oklahoma.

Russian Rockers, unimpaired: Playing La Ramba for spare change at Cal.

U. needs lots of color photos of the faces and faces of college life. For every entry published (at least one per issue), we'll pay you \$25 and your name and campus will be credited.

PLUS, we're offering four \$1,000 scholarships and runner-up prizes for the best ones submitted in four categories: Campus Life & Lifestyles, Sports, Entertainment and News/Events (politics, personalities, demonstrations & events).

Photos can be of anyone or any activity on or off campus from the normal to the outrageous, from the serious to the funny — orientation, lost trash, moving day, dorm life, political and pep rallies, bands, spring break, concerts, latest fashions and fads, funny signs, alternative sports... you name it. For best results, keep the faces in focus and the background

as light as possible. **Deadline for entries is March 15, 1994.**

All photos are automatically entered in U.'s College Photo Contest. U.'s May 1994 issue will feature a special College Year in Review section showcasing student photo entries and winners. Four first place grand prize winners will receive \$1,000 cash scholarships. Runner-up prizes will also be awarded.

Send your entries on color print or slide film labeled on the back (neatly) with your name, school, address, phone number (school and permanent) and detailed info on who, what, why, when and where the photo was taken. Include names and phone numbers of the people in the picture, if possible. Entries cannot be returned and become the property of U.

Mail entries to U. Magazine Photo Contest, 1800 Century Park East, Suite 870, Los Angeles, CA 90067-1511.

## PREVIOUS POLL RESULTS

The most annoying retro movement?

'60s	'70s	'80s
18%	61%	21%

"I'm sick of the '60s retro movement. All these Earth muffins are wandering around wearing the sandals and stuff. They should all be shipped off to the Grateful Dead Island." **John Holmes, junior, U. of Akron**

"I think that the '70s retro movement is the worst.

Disco sucked in the '70s and it sucks just as bad in the '90s. It's hideous. Bell bottoms are hideous. Polyester is hideous. Leisure suits are hideous." **Jeffrey Rumery, senior, U. of Nebraska**

"I think the '70s are the most annoying retro movement because disco is a bunch of fake music and real music is played with real instruments. And your legs are bigger at the top so pants shouldn't be made bigger at the bottom." **Van Townsend, freshman, Louisiana State U.**

"I think the '80s are the most annoying movement. I mean, what is cool about greediness, neon and Ronald Reagan. I mean, please." **Catherine Castillo, sophomore, Rutgers U.**
